Being aware of the dangers of serving as a first responder, we are faithful in prayer. We have 5 active members who are police officers and four others related through family. We have several others who work with local fire and EMT services. We pray for the safety of all these, as well as members of our armed forces, especially **Ryan Kuhn**, members of our church.

Friends supporting each other through particularly challenging times.

People near and far that are working through long-term issues because of stormy weather

Our prayer list is an evolving tool that helps us share the current needs of our church family, community, & world, as well as fresh inspirations for prayer. When a request is removed it keeps us aware of the most urgent needs and helps us celebrate that God's healing grace is active.
